The background of the image features a collection of eco-friendly gift items. On the left, there is a green leafy branch. Below it, a wooden pencil with orange eraser and ferrule lies vertically. At the bottom left, a small, light-colored fabric drawstring pouch is visible. The top and right edges show various cardboard boxes and a round wooden object, possibly a lid or a small bowl. The overall aesthetic is warm, natural, and sustainable.

# About Sustainify

At Sustainify, we believe that every gift is a chance to make a difference.

We create eco-friendly corporate gifts that are not just thoughtful, but good for the planet. From plantable pens to plastic-free packaging, our products are designed to reduce waste and add real value.

We've proudly worked with 100+ companies — from TATA Trusts to Pepsico — helping them make every occasion greener.

# Introducing Our Independence Day Campaign

This Independence Day, let's celebrate freedom with a new kind of pride —  
Freedom from Plastic.

Instead of sweets or souvenirs, gift your team something meaningful, useful, and sustainable.

- Our special Independence Day gift boxes are:
- Made in India
- Plastic-free
- Customizable with your logo
- Perfect for employees, clients & CSR campaigns

Every box comes with a purpose — to thank your people and help the planet.
